Follow the link and you can learn all about the Hospital Heist, Neuroscience and Oceanography. More will follow in due course, this could also give you an idea of different courses available at University. They have lessons for you to watch and worksheets to complete.

LISTEN TO A VIRTUAL TALK

'Speakers for schools' is a fantastic organisation we work with to get inspirational leaders into Redbridge to speak to students. We have had doctors, film producers and entrepreneurs. During the lockdown they are hosting a virtual talks programme where you can hear masterclasses and interviews from speakers from across: business, arts, academia, media and more. Speakers will be sharing their own stories and expertise on a variety of subjects. Go to the following link to see who is speaking today!

HAVE SOME WORK EXPERIENCE

A company called 'Invest in Education' are offering free work experience placements 'Live and Online' in May. These will be in film-making, law, international politics, architecture and entrepreneurship. The 'Live & Online' programmes will give students the opportunity to gain crucial work experience from the comfort of their own home. They are delivered by top professionals who will immerse students in simulations of their real-life work PLUS be on-hand throughout to answer their questions live. The full list of programmes for creatively-minded students is set out below, including highlights of each one. Click on any programme to view a detailed timetable and to register now.
