

Dear Career advisors,

The Positive Action team at Hampshire Constabulary support individuals from the under-represented groups (females, disability, LBGT, etc.), including those from black, ethnic and minority backgrounds who are considering a career in policing; giving them the necessary confidence and skills to apply to become police officers or police staff.

As work coaches or career advisors, we would like to invite you to a virtual Police Career information session over Zoom. The aim of this event is to give you updated information on the policing career recruitment, including:

- The Police Constable Degree Apprenticeship - PCDA
- The Degree Holder Entry Programme - DHEP
- The eligibility criteria and the recruitment process.

We will also discuss other police staff roles such as Controllers, Detention Officers, Police staff investigators, etc.

We hope to provide you answers to all the questions that you might have.

We will be hosting the event on two dates. Please register your interest via the Eventbrite links
